The child is not eligible for a service unless they meet all criteria listed below that service.

- The child is 6-59 months of age.
- No vitamin A in the past 1 month.
- If so, do not give the service and refer the child for medical help.

**Dosage:**

- 6-11 months: 1 tablet (6 tablets)
- 12-59 months: 1 tablet (5 tablets)
- 24-59 months: 1 tablet (5 tablets)

Never force a child to drink water and do not pour water into a child's mouth.
